

GENUGTEN AGRI

PROFESSIONALS IN ANIMAL HOUSING

At Genugten Agri, everything revolves around innovation, efficiency, and quality in the construction and furnishing of livestock farms. We are the leading specialist in turnkey solutions for pig and dairy farming, taking care of the complete project: from design and construction to installation and furnishing. This makes us one of the few players in the market that truly offers the complete package.

With successful projects in the Netherlands, Germany, Belgium, Romania, Hungary, and France, we provide customized solutions for modern agricultural businesses. Whether it's a finisher pig barn or a complete dairy farm, we combine the latest technologies with a practical approach.

Our business expands further in Europe. For our office in Cluj Napoca (RO) we are looking for a:

Technical Engineer

Within this position you are responsible for the (3D) drawing of the various projects. These could be execution drawings or design drawings. You work on various assignments in the agricultural sector. These can be pig or cow farms. You make the necessary material states and discuss with the other members of the project team (sales, project management, implementation).

- We ask you:**
- Good command of English and/or German language.
 - Experience with the construction of large (agricultural) buildings
 - Higher Professional Education (HBO) degree in construction, mechanical engineering or installation technology
 - Being able to work independently and take initiative
 - Professional attitude
 - Experience with 3D software (Revit and Autocad).

- We offer you:** Employment conditions acc. the Construction & Infrastructure Collective Labor Agreement:
- Excellent salary
 - 43 vacation days, 13 of which are paid monthly
 - Monthly net payment from the TSF Sustainable Employability Scheme
 - 8% vacation allowance (paid in May)
 - A good pension plan
 - Professional & informal working atmosphere, where teamwork and innovation are central.
 - Personal attention to development and the opportunity to participate in training/courses
 - Annual drinks, team outings, and parties.

Want to apply?
